

THIS WINTER LIGHT

Saturday, November 15, 2014 to Saturday, December 6, 2014

Modern Fuel is pleased to present *This Winter Light*, our annual Members' Show and Sale. This is a great chance to see the dynamic work of local artists, share conversation and support the Kingston arts community. It is also an excellent opportunity to buy reasonably priced artwork for family or friends. All works will be for sale, with at least 50 % of all sales going to Modern Fuel to help in its programming activities. *This Winter Light* will also bring to a close Modern Fuel's lengthy residence at 21 Queen Street; in January, 2015 we will reopen with a new home at the Tett Centre.

Artists include: Sandra Jass, Nancy Douglas, Patricia Van Asperen, Dave Gordon, Jessie Wardell, Wayne Hiebert, Mark Birksted, Sara Perosa, Michèle LaRose, Ted Rettig, Fraser Radford, Andrew Rabynuik, Tara MacDougall, Aida Sulcs, Ann Clarke and many others.

******As part of this final exhibition at Modern Fuel, we are also selling off 25 of the ever-durable orange chairs that have been prominent in many Modern Fuel activities over the past 30 years. They have been in exhibitons, lectures and performances. They have been taken offsite to backyard screenings, helped quell crying babies and been there for long long nights. They are a part of our history, and we want to share that history with you. These 25 chairs will be available for purchase--each will be \$77.14, signifying the years of Modern Fuel/KAAI's first location.***

For more information on purchasing, please contact us at info@modernfuel.org or phone 613 548 4883.
