ABOUT MODERN FUEL ARTIST-RUN CENTRE

Established in 1977 as the Kingston Artists' Association Inc., Modern Fuel Artist-Run Centre is a non-profit organisation facilitating the presentation, interpretation, and production of contemporary visual, time-based, and interdisciplinary arts. Modern Fuel aims to meet the professional development needs of emerging and mid-career local, national, and international artists, from diverse cultural communities, through exhibition, discussion, and mentorship opportunities. Modern Fuel supports innovation and experimentation and is committed to the education of interested publics and the diversification of its audiences.

Modern Fuel is situated in Kingston on the shores of Lake Ontario on the traditional territories of the Haudenosaunee and Anishnaabe peoples. Modern Fuel recognizes Indigenous peoples as the past, present and future caretakers of this land and are grateful to be able to live and work on this land as uninvited guests. The Kingston Indigenous community continues to reflect the area's Anishinaabek and Haudenosaunee roots. There is also a significant Métis community as well as First Peoples from other Nations across Turtle Island present here today. Modern Fuel is committed to honouring and upholding Indigenous sovereignty and self-determination. Furthermore, Modern Fuel acknowledges the historical oppression of lands, languages and cultures of the original Peoples in what we now know as Canada, and we deeply believe that the arts and arts organisations like ours can contribute to the healing and decolonizing journey that we all share together.
