

THE NUMBER OF DAYS

In the State of Flux Gallery: THE NUMBER OF DAYS Carlyn Bezic, Cecily Taylor **Carlyn Bezic** (Kingston resident for almost 1300 days) and **Cecily Taylor** (Haliburton, ON) have been good friends since they met on their first day at Queen's in 2006. Three years later, they take on the task of exploring their time in Kingston, together and apart, in a collaborative exhibition of drawing and sculpture entitled "The Number of Days." The installation recalls the limits and endlessness of their memory before they go their separate ways and what has transpired between them slips further into the ether. Reception: Saturday 27 February 2010 at 7pm with *Trial Proofs*.
