

WE KNOW WHERE WE ARE

With **we know where we are**, the artists **Julia Mensink**, and **Lisa Visser**, examine the nature of their own artistic relationships, both personal and professional, so that their collaboration becomes a microcosm that offers a perspective on other processes of collaboration.

In a series of choreographed dances, they will strive to woo you to dance too, until they/you see themselves/others and all of our relationships at an abstracted, atomic level.

We Know Where We Are Photos

Julia Mensink, resides in Toronto where she reads, marks papers, and plays in the band wildlife.

Lisa Visser, lives and works in Kingston, balancing her time between art and prioritizing all the things she wants for herself.
